FCI CARD POLICY

March 1, 2005

The FSILG Cooperative, Incorporated issues identification cards to designated authorized purchasers for each account. The cards are issued for identification purposes only to be presented to participating merchants. The cards remain the property of the Cooperative and must be surrendered upon demand.

The maximum duration of each card is six months and each card is printed with the expiration date of December 31st or June 30th depending on the date of issue.

Ten cards are included with each account each term. Additional and replacement cards are \$10 each. There is a fine of \$10/card for cards that are ordered and not picked up within six weeks. Lost cards are \$10 to replace.

Cards must be picked up in person. They may be picked up from the Cooperative office during business hours, at a Cooperative event, or at a meeting requested for that purpose in the member house itself.

Member houses may designate alums to make purchases without possessing an identification card. Such alums must complete a non-card purchaser agreement with the Cooperative.

Appropriate forms for card and non-card purchasers are available from the Cooperative upon request.
