VENDOR MENU

ORDERING SUGGESTIONS

Authorized purchasers may contact vendors directly to place an order. Before you call a merchant to order products or services, make sure you have your FCI account number nearby (login to the FCI website and you will see it listed at the top of the page). You may need this number to place an order.

When you call, you should introduce yourself to the vendor. For example, “Hello, this is Joe Smith from Mu Iota Theta. We are a member of the FSILG Cooperative at MIT. I’d like to place an order for a case of xxxxx.” At the end of the call, be sure to repeat your address and FCI information. For example, “Our House is at 77 Mass. Ave. The FCI account number for my house is 3141592.”

We have designated sales contacts for each vendor, but the particular person you reach on the phone may be unfamiliar with the Cooperative. If a vendor does not recognize the Cooperative or you have other problems ordering, please call us at 617-452-4053 and we will help straighten out the problem. We can usually solve the problem in a few minutes, so please don’t hesitate to call us immediately.

Please consult the online vendor listing once you’ve logged in at www.fsilg.coop for the most recent information.

NOTE: If you are ordering from an MIT internal provider, you should arrange the purchase directly with the provider, then have the vendor contact FCI to complete the order.

**Costco is unique in two ways. First, you need to pick up the Costco membership card at the FCI office before you go. Second, you pay with your own debit or credit card at the time of purchase, and Costco sends us the 2% rebate separately.
